## MISSION

Lo stile, la qualità e la tradizione ceramica traspare da una ricca offerta di prodotti d'avanguardia che si presta a soluzioni flessibili ed innovative per tutti i settori dell'edilizia. La produzione de "La Fenice" è completa e comprende tutte le tecnologie richieste attualmente dai mercati.

Style, quality and ceramic tradition are the key features of the rich variety of cutting-edge products on offer, designed to guarantee flexible, innovative solutions for all sectors within the building industry. La Fenice produces a complete range of articles, comprising all the technologies currently required by markets.

With a world-renowned ceramics tradition at its back, "La Fenice" continues to build its success on a properly thought-out, dynamic commercial strategy aimed at providing the highest possible levels of quality and service. Unfailingly attentive to the evolution of the market, the company invests massively in research, keeping one step ahead of trends and customers' changing tastes and guaranteeing constant innovation with regard to the quality and aesthetics of the materials used. All this is designed to maintain and strengthen the faith in the company's products that have earned "la Fenice" so many loyal customers the world over.

La nostra gamma comprende poi una vasta collezione di rivestimenti in Bicottura bianca e rossa nei diversi formati: dal 15x15 fino ai 30x90 rettificati. Tutti i materiali possiedono elevate caratteristiche tecnico-estetiche e sono disponibili su una vasta gamma articolata per tipologia, pezzi speciali, accessori e varietà di formati. Ogni serie proposta da "La Fenice" è rivolta all'arredo degli spazi abitativi contemporanei secondo gli stili di vita classici e moderni oltre a trovarsi tecnicamente in linea con i canoni più rigidi delle vigenti normative europee.

Our range also includes a huge collection of white and red body double fired tiles in various sizes: from 15x15 to 30x90 rectified. All the materials boast superb technical and aesthetic characteristics as well as a wide product range including different types, special trims, accessories and various sizes. Each "la Fenice" series is designed to be used in contemporary living spaces, in line with classic or modern lifestyles, as well as fully compliant with the strictest European regulations currently in force.
